Education

2021-09 - 2022-01

Certificate: Full-Stack Web Development

Southern Methodist University - Dallas, TX

Intensively comprehensive 6-month boot camp spanning the entire modern web landscape, featuring JavaScript and Node.js. The program demanded intense collaboration, quick absorption of unfamiliar knowledge, and development sprints.

- Awarded *Most Creative Final Project*

2022-03 - 2022-12

Certificate - CS50X: Computer Science And Programming

HarvardX

Introduction to the intellectual enterprises of computer science and the art of programming. This course teaches students how to think algorithmically and solve problems efficiently. Topics include abstraction, algorithms, data structures, encapsulation, resource management, security, software engineering, and web programming.

2022-04 - 2022-10

Certificate - CS50P: Computer Science And Programming

HarvardX

An introduction to programming using a language called Python. Learn how to read and write code as well as how to test and "debug" it.

2001-05 - 2014-08

No Degree: English Language And Literature

University of North Texas - Denton, TX

Modern Rhetoric, Intermediate Non-Fiction, Philosophy of Mind, Probability and Statistics

- Received UNT Achievement Recognition Scholarship
